BRIEF ABSTRACT OF LETTER

NOTES AND ORDERS.

The M.'s letter explains the facts of the case. The proposal to sanction a monthly grant of Rs 25- to the Institution is sent for orders.

The Anugrai Comn. states that admission to the Seva Sadan at Mallewaram is restricted to orphan girl destitutes, who are

and not more than 14 years if they are girls. It is difficult to understand why he thinks that such an institution is not an orphanage. Govt. have ordered that grants to orphanages should be dealt with in the Education Deptt. (Vide G.O. No. 2159-60 Judl. 347-27-2 dated 28th May 1928). ~~Another~~ G.O. No. D.1451-5-Edn. 35-26-11 dated 4th Aug. 1927 gives reasons as to why grants to such institutions should not be given by the Judicial Deptt.

It matter there is already an orphanage for boys and girls in Bangalore, viz., the Srinivasa Mandiram orphanage. It is a point for consideration whether there is any necessity for two orphanages in Bangalore. If however Govt. think that there is a necessity for establishing a separate orphanage for girls the question has to be considered and dealt with in the Education Branch for the reasons explained above.

3) It matter the institution is practically a school for teaching home industries, such questions have to be dealt with in the Development Branch. Such institutions are under the control of the Director of Ind. and Commerce.

18 MAY 1936

SIR,

Grant for the maintenance of Seva Sadana, Malleswaram, Bangalore.

I have the honor to forward herewith letter dated 27th April 1936 received from Lady Raman, President of the above institution, requesting a generous grant for its maintenance. The Seva Sadana is intended for the protection and training of helpless and destitute women and orphan children. It is said that there are now ten inmates in the Sadana from the various parts of the State and more than half a dozen applications are on the waiting list. The institution is at present maintained out of subscriptions collected from the public.

2. The objects of the Sadana are laudable and the institution deserves encouragement. An institution of the kind with the advanced object of offering shelter to helpless and destitute women in a growing city like Bangalore is a desideratum and it is started none the too soon by the philanthropic ladies who have formed themselves into a Working Committee and are doing their best. The care and training of orphans is not a feature of the institution, but it forms a side activity of the Sadana. The institution cannot come under the purview of G.O. No. D.1451-5/ Mn.35-26-11 dated 4th August 1927, as it is neither an orphanage nor an asylum for destitute children, as admission to this class of institutions is restricted to orphans and destitutes who are not less than 7 years and not more than 14 years if they happen to be girls. In the present instance, admission is open to all women who are helpless and destitute and also stand in need of protection. Besides the protection afforded

the inmates are also given training in tailoring, embro dery, midwifery etc., which will stand them in good steád for settling down honorably in life. It seems to me that the objects of the Sadana as now defined come strictly within the purview of the G.O. No.2159-60/Muz.347-27-2 dated 26th May 1928 enumerating the purposes for which the savings secured by the abolition of Government Chattrams have to be utilised.

3. In view of the benevolent objects of the institution and of the useful work it has turned out during its short existence, I recommend that a monthly grant of R 25 representing one-third of the present expenditure may be sanctioned for one year, the charge being met from the Chattram Savings Fund.

I have the honor to be,

Sir,

Your most obedient servant,

N V Anantaraman

Muzrai Commissioner.
